NON-DISCRIMINATION POLICY

Resurrection School, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, disability, or national and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. While Resurrection School does not discriminate against students with special needs and makes minor adjustments to accommodate students with disabilities, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic and physical ability and the resources available to the school in meeting the student's needs.

Resurrection School may not always have the resources to offer your child all of the adjustments he/she might need. We will, however, attempt to work with each family to provide as much support as possible.
